Empowering Teens To Succeed

Thrive Clermont Is A 501 (c)(3) Non-Profit Devoted to Empowering Teens in Central Florida Through Skill-Building, Socialization, and Mentoring Programs Offered Year-Round

#### What is TAC?

Thrive's Teen Advisory Council (TAC) is the driving force behind the activities and events that Thrive provides to local area teens in Clermont, Groveland, Minneola, and Mount Verde. The TAC functions as the teen board of directors for Thrive. The TAC along with Thrive's board of directors' work hand in hand to create programs and events that allow teens the opportunity and space to learn new skills that they will carry with them not only through their school years but throughout their lives.

#### TAC Commitment

Becoming a member of Thrive's TAC is a six-month commitment in which students will attend meetings, workshops, and events hosted by Thrive and our community partners. Students will gain volunteer hours through their efforts and attendance and turn in their hours each month at our monthly TAC meetings. Once the six-month period has ended, students will receive a letter stating how many hours they have completed. Please note that you do not have to be a TAC member to gain volunteer hours with Thrive, volunteer hours can be gained during any of our events that require volunteer assistance.
